

Movie File

The diagram illustrates three parallel data tracks. The top track, 'Movie File', is represented by a solid box on the left and five black film strip icons. The middle track, 'Subtitle File', is represented by a solid box on the left and five dashed rectangular boxes, each containing the text 'Character speaking'. The bottom track, 'Emotive Track', is represented by a solid box on the left and five dashed oval shapes containing the words 'Happy', 'Sad', 'Happy', 'Sad', and 'Angry' respectively. All tracks are connected by a common horizontal line on the right side.
